To: Mark Sutcliffe <Mark@marksutcliffe.com>

Hi everyone:

Over the course of my career in Ottawa, and especially since I became Mayor, I've become increasingly aware of the alarming number of women and children who are fleeing domestic violence.

That's why this year, **I've decided to raise funds for Harmony House**, Ottawa's only second-stage shelter for women and children escaping abuse.

Harmony House has been doing great work in our community for nearly 40 years. They have launched a campaign called *Out of the Shadows, Into the Sun*, to raise funds for trauma-informed summer camps and after-school programs for children recovering from the effects of violence. These programs help young survivors rediscover joy, build confidence, and begin to heal in a safe, nurturing environment.

There is nothing more important than children growing up in a safe environment, free from the trauma associated with domestic violence. So I'll be running the Ottawa Marathon on May 25 to help Harmony House with this important campaign.

Sometimes people ask me how I'm able to train for a marathon while juggling the demands of my job. When I have an opportunity to support an organization like Harmony House, it inspires me to train harder so I can make a difference in the lives of vulnerable families.

I hope you'll join me in supporting the children and women at Harmony House. To donate toward my run and help make a difference, please click [here](#).

Thank you for your generosity and kindness.

Hi DG,

I hope you're having a great summer.

I am passing along information regarding the Village of Carp Harvest Supper, presented by the Village of Carp BIA in support of the West Carleton Food Access Centre.

The event is hosted by the BIA (of which I am the chair), and is taking place on the main street of Carp (it is being shut down) and is supplied by only local farmers and businesses.

Jenna Sudds, Clarke Kelly and Karen McCrimmon will be in attendance. I can hold two tickets for Mayor Sutcliffe should he be available to attend.

More information can be found here: <https://www.eventbrite.com/e/the-carp-village-harvest-supper-tickets-643669993277>

Good afternoon, Jennifer,

Thank you to my colleagues for copying me on your request regarding a proclamation for celebrating 15 years in business. Congratulations!

As part of the planning, I'd be happy to coordinate the proclamation for this special occasion. To move forward, I kindly ask that you provide a draft of the proposed proclamation text in English for our review. I've attached the City of Ottawa's proclamation template for your reference, which outlines the required format, including the "Whereas" and "Therefore" structure.

Please note that the final version must not exceed 130 words, including the text below the title and date, to ensure it fits our standard layout. Once approved, our office will arrange for the French translation and coordinate the Mayor's signature.

Given the time sensitivity of this request, I would kindly ask that the proposed text be submitted by **Wednesday, June 4, 2025.**

If you have any questions or would like help drafting the language, please don't hesitate to reach out.

Cheers,
Heather

Hello Tahera,

Syntax Strategic will be celebrating 15 years in business on June 17, with a reception at La Terrace from 6:00-9:00.

We would love to extend an invitation to Mayor Sutcliffe.

We are also wondering if it would be possible to have the Mayor present a letter of congratulations or certificate of some sort celebrating the milestone to our owner, Jennifer Stewart.

Please let me know if this is possible.

Thank you,

Jennifer Madigan

⚠ This email originated from an external organization. Exercise caution. ⚠

Hi Jen,

Here is the information being sent out by our school board to ensure understanding of the day. These are the details outlining what the morning will look like. The event will run from 10am-11:00am. If he is able to drop by at all during that time, we would be grateful.

"We are thrilled to announce that the Ottawa Catholic School Board, in partnership with Google Canada, will officially kick off Media Literacy Week on Monday, October 27, at 10:00 AM.

This special event, the Google Online Safety Roadshow, will be hosted at Immaculata High School. It is designed to provide our students with engaging, hands-on lessons on essential digital citizenship skills, helping them learn how to be safe, smart, and resilient in the online world.

To facilitate attendance, all participating students will be transported by dedicated bus from their home schools to Immaculata High School in the morning and returned to their home schools prior to the lunch hour.

Please be aware that due to the significance of this event as the official launch of Media Literacy Week, Canadian news outlets and official OCSB photographers and videographers will be on-site. Photos and video footage taken may be used by the OCSB and Google for promotional purposes and may be broadcast by news agencies."

Your help is very much appreciated!

Thank you,

Nina

My colleague Ewa will line up 45 minutes for us the week of March 31. She'll send along some availability on our end.

My colleagues John Light, who's our lead on rural issues, and Brett Byers, who's in charge of Planning files, will also join us.

Hi Mathieu,

I hope you are doing well.

I'm unsure if you remember me from our Parliament Hill days together in the 2000's. I was working for Jim Peterson at the time. I hope you are doing well; it's great to connect again!

I'm now at Syntax, working with Jen Stewart. I'm reaching out today on behalf of a client, *Evolugen*, by *Brookfield Renewable*.

Evolugen is working to optimize Ottawa's power grid by installing a 150 MW BESS at Trail Road and a 250 MW Battery Energy Storage System (BESS) in West Carleton.

We would like to meet and brief you on both projects. (Robyn Guest and Jen connected recently on this.) Evolgen wants to align with the city's goals and community needs as we work together through the energy transition.

We'd like your feedback and answer any questions you may have.

Are you available to meet virtually or in person next week or the week of March 31? If so, can you suggest a few suitable times? I will work to coordinate availabilities and confirm meeting attendees.

Thanks, Mathieu,

Jonelle

Hi Robyn,

I hope all is well! I have a request I am hoping the Mayor's office will consider.

s.14(1)

We are meeting Minister Sudds at 11, and then have a break from 12 – 1:20 prior to going back to the Hill to watch Question Period.

Would it be possible to come to the Mayor's Office for a tour and a meet and greet (brief) with the Mayor should his schedule permit?

We would also like to inquire about renting a room for the kids to eat / have a quick break at city hall but I can coordinate this with someone else.

Thanks for considering! It's wonderful to see the kids so excited about government and politics!
